Family & Community Nursing certificate

Future plans

• ENhANCE FCN modules are incorporated into the curricula for the both Bachelor and Master's level programmes for three academic years

(2020-2021, 2021-2022, 2022-2023) in accordance to the university planning process.

Future plans

The FCN course is offered as a part of **national level** learning path studyinfo.fi (in Finnish "Opintopolku") for students to register to study FCN. For further information regarding it, please visit https://studyinfo.fi/app/#!/k oulutus/1.2.246.562.17.9695 9852888
